A day for the family in the countryside, Winter season, Tue-Thu 09am to 6pm
(Max 4 persons)

One day family package in the Kourilehto village, countryside of Tornio. The day includes an overview of the history and current insights of the small authentic village and its way of life. The host couple are excited to welcome guests to their home and accompany them throughout the day. The day includes outdoor and indoor activities.

Flexible and tailor-made day for you.

The day begins with coffee, tea, juice and snacks in the old cowhouse's new "living room".

After snacks we'll have a short tour. You will get to know the pure, real history and stories of the old farm. And, of course, activities in and outside.

You will get the chance to enjoy the countryside savory soup like a local (fish\meat) made with authentic local products in the ambient cowhouse bar.

In the afternoon we'll have outdoor activities in the wilderness (nature) with picnic snacks. Snack-brake served either in the hut or by the outdoor fireplace. The duration of the hike is about 3 hours either by snowshoeing, kick- sledding, downhill or walking (as desired).

The day ends with a music session where guests act as performers.
